

The Official Newsletter of the Glendale Middle School Counseling Team

Welcome Back

We are so excited for this upcoming school year! The counselors will be live-broadcasting Advisory lessons every week from a classroom. Teachers have volunteered to host the counselors in their classrooms! The lessons presented will be aligned with the SLCS social emotional framework and each month will be focused on a specific framework. If you'd like to host the counselors for a month, please reach out to your grade-level counselor.

Glendale Support

We will have more support this year to help our school and students. We have partnered with the University of Utah's Educational Psychology department to have an intern come and help provide services to our students AND an additional social worker only working with Glendale students. We would like to welcome Zoë Buroojy, Jordan B. Alyssa, Kristin and Ana to the Glendale Counseling Team for the 2022-2023 school year.

We Need Your Help!

Career Week will be from Nov. 7th to Nov. 11th with our big College & Career Fair on Friday, Nov. 11th. We need your help spreading the word about the event. We are also looking to get multiple guest speakers, if you have connections with someone who would be great, please contact the counselors.
